RE: **Board Presentation**

The slides for your Board presentation on August 31 are ready. Please let me know if you would like to look at them before the dress rehearsal scheduled for Friday. Attached is the board from which the slide of newspaper headlines has been made. Please let me know if you would like to change the composition of this slide in any way.

Also attached is the original text of your presentation (marked "Final"). In connection with the Minnesota Medicaid suit, you refer on pages 4 and 18 to "Blue Shield". You may wish to change the reference to "Blue Cross and Blue Shield".
